TOUCH | Anti-Ageing

Pro-Collagen Age Defy

1hr £115

This is the treatment to tackle fine lines and wrinkles and help support the cellular structure of the skin. The proven benefits of marine charged Padina Pavonica and Red Coral help plump out fine lines, whilst Indian Mulberry reduces skin-fatigue, helping relax wrinkles. Targeted lymphatic drainage massage re-energises and rejuvenates, while an age-defying peel-off mask encourages the highest cellular function, visibly improving firmness and elasticity for beautifully nourished, younger looking skin.

Pro-Definition Lift and Contour

1hr £115

Powered by breakthrough technology targeting sagging jowls, cheeks and jawlines, this facial helps restore the architecture of the face. The Arjuna and Lupin-infused jowl and chin mask works on elasticity, whilst potent nutrients and stem cells found in Edelweiss and Tiger Grass help support the extra-cellular matrix. The structure of the skin is boosted through a unique deep, muscle toning massage from the scalp to the décolleté. The skin appears plumper and revitalised, creating a profoundly sculpted, youthful effect.

Dynamic Resurfacing Precision Peel

1hr £110

This highly potent couture resurfacing treatment targets the signs of ageing and dull, tired, uneven skin tone. Specifically designed to work in conjunction with your skin's unique structure, this pioneering precision layering protocol uses three layers of enzymes to nibble the dead skin away, revealing extraordinary results. This system delivers powerful exfoliation and renewal for smoother, younger looking skin, whilst a steam and extraction cleanses at a deeper level. A new start for new skin that has never looked better.

White Brightening Pigment Perfector

1hr £110

This powerful treatment restores even skin tone, targeting unwanted areas of pigmentation, redness and freckles. A combination of delicate oils and lotions, packed with Peony root and Blackcurrant seed, are applied to skin before being washed away in a milky emulsion, taking the melanin with them. Encapsulated Vitamin C acts as a potent brightener, inhibiting future pigmentation. The complexion is lastingly colour-corrected and illuminated.

TOUCH | Skin Solutions

Superfood Pro-Radiance

1hr £95

This is a crafted nutritional boost for stressed, dull skin. Rich in superfoods, essential minerals and trace elements; Magnesium, Potassium, Zinc, Vitamin A and E form a mineral army to jump start tired and exhausted skin. An amino active mask helps restore lost moisture, deeply nourish, detox and pack the skin with powerful, energising nutrients. Skin is left smoother, plumper and luminously radiant – stress-free and lit up with good health.

Sensitive Skin Soother

1hr £95

Fragile skin needs special attention. A subtle, calming massage technique is used to help reduce the appearance of redness and strengthen the top layer of a delicate skin, protecting against daily stresses. The soothing properties of Moroccan Rose, Chamomile and Apricot are combined to gently cleanse and exfoliate, whilst the deeply nourishing Neroli mask leaves skin nurtured and comforted. Texture and tone are dramatically restored. Moisture levels are boosted. Skin is left supremely calm and confident.

Anti-Blemish Mattify and Calm

1hr £95

A deeply cleansing revelation for oily, unsettled, congested or hormonal skin. This mattifying facial helps combat oil and shine using the proven power of Lavender, packed full of blemish-banishing Linalyl Acetate. Lavender Cellular Recovery capsules, balancing toner and repair mask work in unison to regulate oil flow and calm the skin, while intuitive massage helps restore micro-circulation and re-oxygenate, improving tone and texture. A deeply detoxifying treatment for lastingly clear, bright skin.

For Men's Specific Facials see p. 17

Thriving, visibly healthy and energised skin.

TECHNOLOGY | Anti-Ageing

BIOTEC Line Eraser

1hr £125 1hr 30mins £180

Wrinkles are targeted with firming and toning microcurrent pulses to stimulate the skin cells towards dynamic functionality. Red and blue light therapy warms and de-stresses the skin whilst a blast of oxygen delivers a breath of fresh air, effectively ironing out wrinkles and filling in lines. A powerfully rejuvenating facial treatment.

BIOTEC Firm-a-Lift

1hr £125 1hr 30mins £180

Rediscover the architecture of your face with this ground-breaking blend of massage and sculpting technology. Circulation stimulating Arjuna, Gardenia stem cells and Alaria Esculenta Seaweed are activated by microcurrent pulses to tighten slackening skin. Galvanic currents infuse the skin with bio-active formulas that hydrate and tone. The extra-cellular matrix of the skin is visibly strengthened, restoring elasticity and tenacity for a contoured complexion that is remarkably lifted.

BIOTEC Anti-Pigment Brightener

1hr £120 1hr 30mins £175

This powerful, targeted skin-brightening treatment visibly illuminates the complexion, dynamically treating the appearance of uneven skin tone, discolouration and age spots. A unique complex of brightening actives, ultrasonic peel and light therapy is combined with precision massage to help wash out melanin and reduce dullness. A peel off mask of Vitamin C and Daisy extract reduces pigmentation, while mineral-rich Sea Algae intensely moisturises. The result is skin that is youthful, refined and naturally translucent.

BIOTEC Skin Resurfacer

1hr £120 1hr 30mins £175
